

EXCITING NEWS!!!

The **Friends of Charles Daley Park** invite the community to help us build the new Children's Playground at our beautiful waterfront park. Our "Build Day" will be held on Saturday, September 19th, 2009. **We need to raise at least \$25,000 for this project.** We have received the Let Them Be Kids Helping Hands Award that will match 40 cents to every 60 cents the community contributes.

Please consider one or more of the following options to help us on our way to providing fun, play and smiles for the children in our community and their families.

Check out our website at <http://daley.ltbk.ca> to discover how exciting this program is for our community. For more information call 905-562-8439.
